

PITTSBURGH'S YOUNGEST NEW AUTHOR!

Hi, my name is Kathleen. I am nine years old and I have Obsessive Compulsive Disorder (OCD). When I write, I keep my OCD worries away. I would like to share my book with people to show that **'Life will be OK'** even if you have challenges. My book is called The ABC's of OCD. It starts with 'A is for always doing it AGAIN'. I like things that glow-in-the-dark so we have glow binding to make it even more fun. Now that I am nine, my OCD has gotten much better. I am very glad that I went to an OCD doctor to learn how to tell my habits to go away. I like to say **'Life will be OK'**, that's in my book too!

Please support my first book, I plan to write other 'fun-help' books for people dealing with challenges.
